

Hello Media Attendee,

Thank you for covering AAPEX 2019! This year's event brought together the best and the brightest to create an experience like no other in the global automotive aftermarket industry.

Here's important information to assist with your post-show coverage:

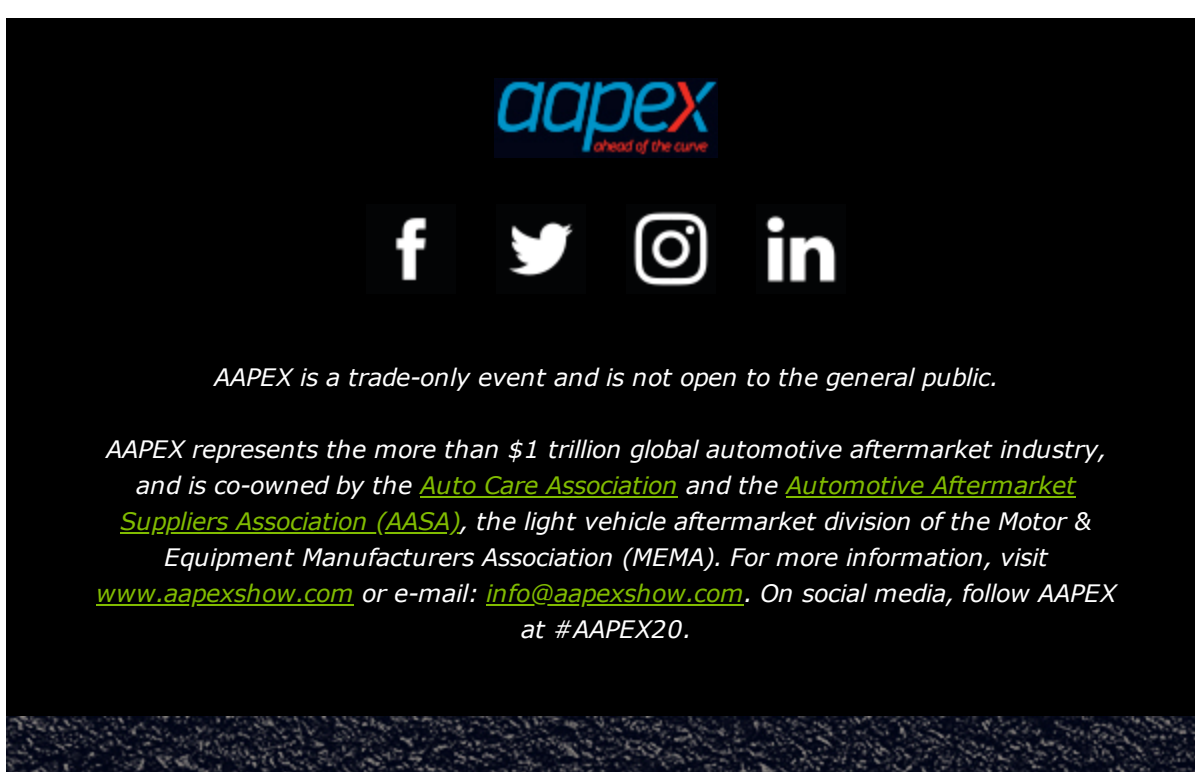

- The big news: AAPEX is expanding in 2020! Level 1 will feature Repair Shop HQ, a fully built out shop on the show floor where service professionals can get real hands-on training. In addition, several of the show floor sections you're used to seeing will move to Level 1, including Tool and Equipment, Mobility Garage and Training, plus a brand-new tire section.
- The annual State of the Industry address was presented at AAPEX 2019 by Bill Hanvey, president and CEO, Auto Care Association, and Paul McCarthy, president and COO, the Automotive Aftermarket Suppliers Association (AASA).
